# The Program

January 16, 2008. ASU Mercado Downtown Phoenix

8:00 am Registration Opens

8:45 am Opening Session

- Green, the global sustainable vision

10:00 am Concurrent sessions

- Building a Green procurement program
- How to identify product needs and gaps

11:00 am Concurrent sessions

- How to Green your Home and Save Money
- Constructing Green

Noon: Lunch & Expo

1:30pm

- Financing Green. How do you finance your new green venture.

2:30pm Closing Session

- Panel Discussion. Can Green level the playing field between majority and minority business?

Join us for America's first conference focusing on minority business opportunities in the sustainability arena. This day-long event is designed to bridge the gap between decision makers and the minority business community.

At this conference you will:

- Learn how Green may be leveling the majority/minority business playing field.
- Learn what is Green/Sustainability and why is it changing the business landscape.
- Learn how your business may Go Green and improve your bottom line.
- Learn the science behind Green.
- Learn how to identify and address product gaps and needs in this new market.
- Learn how to finance a new Green product line.
- Learn Green construction opportunities.
- How to Green your own home and save money.
- Learn Green home product sales opportunities.
- Learn how to develop a Green procurement program.
- Learn of new educational opportunities through ASU.
- Form new relationships with Green businesses and procurement managers.
